Schedule Requests ():**

(**) Schedule Requests: Only use the word **MUST** to tell us when it is absolutely impossible for your team to attend (e.g. when your travel team is at a tournament or has practice). In all other cases use **PREFER**. If you put (*) Indicates a required field

the same information in both then it will be assumed you mean "PREFER".

The reason for that is that using **MUST** above can greatly reduce the pool of teams available for you to play against so only use **MUST** when it's absolutely impossible for you to get a team there at other times, otherwise just use **PREFER** and we'll accommodate you as much as possible while providing the most competitive games for your team.

Also, to have the best chance of your schedule requests being met please be clear, and precise. Use specific dates and times, not ambiguous terms like "Christmas week" or "the 3rd week in Feb" or "late afternoon". For example, write your requests like this:

Must play weekends. Prefer to play Saturdays. Cannot play 11/8, 11/9, 11/29 or 11/30. Prefer to play before 5pm. Cannot play between 1pm and 5pm on Sundays.

instead of like this:

Saturdays. Fridays are difficult, maybe some Sundays too. Have outdoor league games in Nov and we'll be at Disney for 3v3 Nationals. Most of our players have mid-afternoon Sunday school.

to remove all of the ambiguity.
